Hi,

I try to check in to my flight but I get an error message "Order with such parameters was not found" at <https://www.flyredwings.com>.

I had talk to the travel agency Travel2Be.com and they think that Red Wings Airline has some problem with the check in. I do not know what the problem is.

I will fly from Sweden tomorrow to Sankt Petersburg and wonder if I can check in at the airport?

20 June Sankt Petersburg - Sochi

WZ703
16:25 - 19:40
Booking code Travelgenio: 9927399
Booking code Amadeus: W9HKGD
Airline code: WZ/1G6925
Ticket: 169-5187642545 - Doland Mats Gustav Justus
