Arbeg

Enkel tour	Mon-Sat 12 & 15:30 (£5, 1 hour)	An opportunity to take a tour, taste Ardbeg and learn some of the secrets of the distillery along the way. What makes Ardbeg tick? Have fun with your knowledgeable guide and ask the questions you need answered. Return to the Chairman's Study for a tasting and a dram.
"Full" tour	Mon-Sat 10:30 (£12, 1,5 hours)	What makes Ardbeg deep, complex and smoky? This is your chance to unearth the mysteries of Ardbeg. Take apart the Ardbeg equation piece by piece and rebuild it again in the Chairman's Study where you get to sip and savour all our Ardbeg whiskies.
Warehouse tasting	Tue, Thu, Sat 14:00 (£35)	This is not a tour for the first time visitor. Using all your senses we will take apart the Ardbeg production process and put it back together again. Take the Ardbeg whisky apart dram by dram and play your part in the creation of our unique spirit. Spot a mashman en route, take a malt sample, take a hydrometer reading and end up in the warehouse for a cask strength Ardbeg tasting. Then it's all about our BIG O – a fun nosing quiz which challenges you to guess what aromas lie within our Ardbeg whiskies.
Ardbeg across the decades	Tue, Thu, Sat 14:00 (£35)	Every distillery has a past. Ardbeg has a wonderfully rich evocative past. This tour will guide you through Ardbeg's decades - piecing together the history of the Ardbeg community and Distillery with beautiful new photographs, adverts, documents and tales gathered from those who were there...and some who weren't. Back in the Study you will share some rare drams from the 70s, 80s, 90s and noughties and listen to some music tailored perfectly to your whisky!

Bowmore

Enkel tour	Mon-Fri 10:30, 15 & Sat 9:30 (£6)	
"Full" tour	Craftsmans Tour: Mon-Thu (om produktion pågår, måste förhandsbokas, £50). Master Distillers Tour: Mon-Thu 10:00-15:00 (tar fem timmar, kostar £225 eller 275, otydligt på hemsidan, inkluderar en flaska Single Cask, glas och kanna)	Craftsmans Tour: Our Craftsman's Tour is designed for the true Single Malt enthusiast. This journey of discovery includes a visit to the inner sanctum - Bowmore's legendary No. 1 Vaults - where you'll be able to savour some very special Bowmore indeed.
		Master Distillers Tour: Your day will begin the day by taking you on the ultimate water of life experience: a walk along the historic Bowmore lade, Bowmore's water source, a session at the peat banks with the opportunity to experience peat cutting yourself. After you will enjoy a well earned bacon roll with a special dram from Eddie's flask. We will even provide you with wellies! Back to the distillery and into the malt barns – Bowmore is one of only eight distilleries in Scotland where you can still experience this process. Passed down from generation to generation, not only will you see malt floors but you will have the opportunity to turn the floors yourself! Eddie will then personally guide you through the rest of the tour. You will have plenty of time to ask questions and for Eddie to share some of his stories gathered in his 47 years of working at Bowmore Distillery. A break for lunch in the comfort of our private lounge where you will enjoy a specially prepared two course lunch using local Islay produce and carefully matched with a dram or two! After lunch you will move in the legendary No 1 vaults where first of all you will have the chance to learn and gain a better understanding of the influence of wood and maturation. Then for ultimate experience Eddie will take you deep into the vaults and where he will have handpicked from a single cask something very special for you to try.
